Affirmative action officer sought as Spery steps down

Concern expressed over possible legal liability for affirmative action program

Hugh Bouchelle Flyer Staff Writer

Robert M. Spery, Esq. will step down as the affirmative action officer and in-house counsel for SSU in June.

The office of SSU President Bill Merwin is currently looking for a new affirmative action representative to replace Spery, who will be returning full time to his faculty duties at the Purdue School of Business.

Spery has been an instructor at the Purdue School of Business for the last 24 years, but his duties as in-house counsel and affirmative action officer have drawn him away somewhat from his teaching over the last 11 years.

Spery said he was concerned that he was unable to spend enough time pursuing the duties of the affirmative action representative. His responsibilities as in-house counsel for SSU will be handled by Anne Donahue of the State's Attorney General Office.

However, the position of affirmative action representative for SSU still needs to be filled. According to Merwin, the search will begin immediately.

The job of affirmative action representative includes duties such as minority recruitment, investigating claims of unfair or unequal treatment at the University, developing the

University's annual equal employment ethnic concerns at SSU. Miller voiced opportunity plan and dealing with other his concern about a letter, addressed to cultural diversity issues.

The affirmative action program has recently been plagued with controversy as federal court rulings cause constant evaluation and reevaluation of SSU's current affirmative action program.

Adding to the frustration are disagreements within the program as participants, responsible for various aspects of cultural diversity at SSU, disagree about how best to accomplish their goals (see the May 5 article, "Affirmative action policy still undergoing debate.")

Spery received criticism last week from Dr. Jerome Miller, chairperson for the committee on multi-

returning his focus to teaching.

the SSU administration, regarding possible legal problems associated with the affirmative action program.

Spery said he has no apologies to make and was simply pointing out that current affirmative action practices could expose the university and the administrative staff to legal liability.

Miller said, "My response to Mr. Spery's legal assessment of the status of affirmative action was based, in part, on advice I received from Human Resources personnel in the University of Maryland System. These are complex legal issues about which reasonable persons may disagree."

One thing all the concerned parties seem to agree about is that affirmative action and the quest for cultural diversity is an issue that will continue to raise attention and blood pressures as the debate persists both in court and across campus.

Sea Gulls get revenge over Gettysburg Walstrum's five goals lead playoff payback

Brian Burden Flyer Sports Writer

The SSU men's lacrosse team has had another great regular season, but for their accomplishments to mean anything, the team knew they would have to erase the disappointments of two straight post-season losses. The Gulls, ranked second in Division III, did just that Saturday at Sea Gull Stadium with a 16-11 quarterfinal victory over the No. 7 Gettysburg College Bullets.

The win was payback for the Bullets' 10-9 overtime victory against the Gulls in last year's quarterfinals at Salisbury. Salisbury (14-1) had already gained some measure of revenge with a 16-9 spanking of Gettysburg (10-5) on the road in the regular season.

"We felt that we had something to prove out there today," said SSU senior attackman Scott Walstrum. "We wanted to come out strong and sustain the lead. Gettysburg is a solid team and it was important not to let down."

The Gulls started strong early, taking a 3-1 lead in a light drizzle that increased to a downpour by halftime. Both teams continued to exchange goals without either squad really making a definitive statement. The lead changed hands five times and the final score was the biggest lead margin for either squad.

"There some tension before the game. The players know that we have a tradition of winning here and it's important to preserve that tradition. There is only one player left on this team from our last championship squad (1995) and the players are starting to get hungry," said SSU head coach Jim Berkman, now 11-7 in postseason with

The team scored two goals at the end of the first half to go into the locker room with an 8-6 lead. This included a miraculous shot at the buzzer by junior Brian Smith off a spectacular feed from junior Peter Troup. The momentum carried into the third quarter when Walstrum scored the third of his game high five goals to give the Sea Gulls a three goal advantage, 9-6.

The Bullets responded by scoring four goals on four shots with

College Television Network being considered to replace MAX

David Ferrera News Editor

The SSU Student Government Association (SGA) is looking into bringing the College Television Network (CTN) to campus and use it to replace the MAX system on campus cable

According to Kasey Schneider, SGA vice president of public relations, CTN would broadcast campus information bulletins along with other advertising time on the network. programing including CNN news and Advertisements are typically aimed at approximately 40 minutes worth. CTN sports segments produced exclusively college students and are for products offers nine music genres in varying for college students, music videos and such as soft drinks, fruit drinks, movies, other student oriented news and feature athletic wear and snack foods, according

CTN provides a member school representative for CTN. with all the necessary hardware to operate the system, including 25 inch. Proclamation for Maryland Chief's Challenge

To designate May and June, 1998 as Maryland Chiefs Challenge Months:

Whereas, May and June, 1998 have been declared Maryland Chief's Challenge months at Salisbury State

Whereas, every 14 seconds, someone in America is injured in a traffic crash;

Whereas, every 12 minutes, someone in America is killed in a crash;

Whereas, traffic-related injuries are the leading cause of all injury deaths in America and the leading cause of death for people ages six through twenty-seven;

Whereas, nationally, traffic crashes cost \$150.5 billion a year, including \$17 billion in medical care costs;

Whereas, when used correctly, lap and shoulder belts reduce the risk of fatal or serious occupant injury to front seat passengers by 45 to 55 percent;

Whereas, child safety sears are the most effective occupant protection devices used in motor vehicles today, and when used correctly, they are 71 Percent effective in reducing fatalities in children age five and younger;

Whereas, one of the best defenses against the drunk and drugged driver is the use of safety belts combined with airbags for adults, and the use of properly installed child safety seats, in the rear of most vehicles;

Whereas, those drivers who only use their seat belts for long trips or trips on the highway should know that 75 percent of all crashes occur within 25 miles of home;

Whereas, through continued public awareness, education and enforcement of Maryland's seat belt and child passenger safety laws, death and serious injury can be significantly reduced;

Whereas, the 1998 Maryland Chief's Challenge Campaign" provides communities and organizations with an excellent opportunity to join Maryland's law enforcement community in their efforts to increase the correct use of safety belts and child safety seats by focusing attention to the lifesaving benefits of these systems;

Now, therefore, I, William C. Merwin, President of Salisbury State University, Salisbury Maryland, in recognition of this statewide lifesaving opportunity, do hereby proclaim the months of May and June, 1998 as

The 1998 Maryland Chief's Challenge Months

and encourage the community to observe these months with appropriate programs, ceremonies, and activities to increase the use of safety belts and child safety seats with the goal of increasing State use rates; to support the efforts of law enforcement agencies to increase compliance with State Occupant protection laws; and to encourage part-time seat belt users to make a habit for life - to always buckle up.

Saint-Anne describes himself as caring and outgoing. He plans to graduate this May with a masters in Business Administration. He then will leave for France to study in Grenoble. After his semester in Europe, Saint-Anne will move to New Jersey to live with his aunt. He hopes to find a job while he is there. "If I don't find a job I will return to Chile," he said.

Although this experience has been tough sometimes on Saint-Anne, he said he believes that studying abroad is a sacrifice worth taking. "It gives you experience, and the reward is success when it is over." Saint-Anne looks forward to his upcoming vacation, yet he knows that he still has many obstacles to overcome before achieving his success.

Far from home

a weekly look at SSU's international community

Jennifer Martin Flyer Staff Writer

This summer, graduate student Ivan Saint-Anne will travel throughout Europe and into a few parts of Africa. "I am very excited but I take things one day at a time," he said. Saint-Anne, who is majoring in business, has been planning this trip for a long time. Even though he is leaving at the end of the month, he still has many more things to accomplish, like graduating.

Born in the narrow country of Chile, this 26-year-old grew up as the only child in the city of Santiago. Saint-Anne's country "has one of the driest deserts in the world." Saint-Anne graduated from high school in 1988 and spent five years studying at Mariano Egana University. After graduating.

Saint-Anne began working at a small importer company. However, after a year and a half he left and became a "Slot Administrator" for a large international shipping company.

Saint-Anne decided that he wanted more out of his life. Through an exchange program with Mariano Egana University and SSU, Saint-Anne transferred to the home of the Sea Gulls last fall. "The cost of living is very low," stated Saint-Anne. He has visited places like New York and Washington. but Salisbury was Saint-Anne's first permanent residency in America.

This was also his first time living alone. Although admitting that he misses his family, who call Saint-Anne twice a week, he does enjoy Salisbury. "The city is very nice and the people are very friendly." Saint-Anne said that he

does miss soccer matches and plays. "I use to see a soccer match every week," he said. Saint-Anne said that he is not used to Salisbur's size. "Santiago is a city of 5 million "

Saint-Anne, who has know English since the third grade, currently lives off campus with two roommates. He has organized two dinners for the international students. Saint-Anne's hobbies include surfing the Internet, reading and dancing. Ice hockey and soccer are some of his favorite sports. Saint-Anne admits to not having a favorite American food but he does enjoy eating Chinese and Italian foods. Before arriving, Saint-Anne never cooked for himself, but for a beginner he has done pretty well. "I like to add variety to my dishes." For instance, he suggests adding chicken or tuna to a

• CONCERT REVIEW

Country music comes to Salisbury

Editor in Chief

If you enjoy a good ole' country song once in a while, you should Carter performed to a crowd of approximately 4,000 fans, according to Chris O'Kelley, Froggy 99.9's program manager. All around, there were people walking around in tight jeans, fringed shirts and cowboy hats.

The concert, scheduled to begin at 8 p.m., actually began at 8 p.m. It was a novelty that should become a tradition at all concerts. O'Kelley, Froggy, two of Froggy 99.9's disc jockeys and "Froggy," the station's mascot, introduced Blackhawk.

The all-guy band, who looked more like an 1980s rock band, with the exception of their keyboardist, performed for approximately one hour. They belted out some familiar tunes and & some not so familiar tunes throughout the evening. The crowd, though shy at first, warmed up near the middle of Blackhawk's performance.

The subdued audience began to look like a real crowd once the band Country artist Deana Carter performed at members began some choreographed the Wicomico Youth and Civic Center. moves. Simple moves, like moving their

Parks overcomes injury as Gulls defeat Pioneers

Special to The Flyer

EWING, N.J. - Being ranked number stepped up to the plate and hit an Division III NCAA tournament, the SSU softball team expected to be challenged by every team they faced. The Sea Gulls, ranked No. 6 in the nation, battled a close game against the fifth-seeded Pioneers of William Paterson on Gulls. Thursday in their first game of the double-elimination tournament, winning

The Gulls (35-8) came into the tournament winning 17 out of their last 2-1. 19, however there was reason for concern. The Sea Gulls were without their junior starting first baseman, Lori Carrion, who had had emergency surgery last week after rupturing her spleen in a line-up changes. Senior Myra Parks, who is hobbled by a knee injury, was her back-up role to starting the playoff game as the designated player.

"We certainly were worried

head coach Margie Knight.

In the first inning Parks 4-3. the fence for a home run, giving the short lived as the Pioneers responded inning due to some poor fielding by the

Jen Dodson scored, putting the Gulls up

In the fourth inning, the Sea Gulls threatened to take a two run lead. However, senior Kristin Heath was gunned out at the plate on a great throw by Pioneers centerfielder Iris Garcia. The non-playing injury. The injury to Carrion Pioneers scored two runs in the fifth, meant that the Gulls had to make some taking a 3-2 lead after Ninna Garcia scored the go ahead run.

Parks tied the game at three switched from designated player to her when she blasted her second home run of to bat and again the Sea Gulls were one will automatically advance to the World old position of first baseman and the day to left field. "I just didn't want to strike away from going into extra innings Series in Salem, VA next weekend. As sophomore Becky Fox was called from run. I figured that if I kept hitting home with a full count. The little played Fox of press time the Sea Gulls would have runs I would be able to save the knee," Parks said jokingly

about how Myra's knee would be on the until the final inning. In the top of the field, but we are confident that we can be seventh, William Paterson's pitcher successful with the changes we faced. Diane Naugle, New Jersey Athletic field, but hopefully the kids got it out of

"I didn't go to college straight out of high school. I kept thinking what

Werner is a senior who is would have happened if I did," said

Tony Werner has proven this season that he can lead a young defensive corps.

Werner entered the Anne Arundel County police department as an officer. "I figured I didn't need college," said Werner. Even away from work, Werner continued to play the game he loves so much. Werner played for the Glen Burnie Lacrosse Club and was president when it became the Bud Light Team. For 15 years, he played, organized fund-raisers, recruited players and arranged schedules.

After speaking to people throughout the community, especially in schools, Werner began to realize he wanted to teach. He was offered a full scholarship to Catonsville Community College when he found out he still had four years of eligibility. The schedule he kept up in two years, at Catonsville, was so hectic that he is lucky that he only lost

natch to CAC player of the year Lea

Hardisty. Beltsville, MD native, has been a two-year starter for the Gulls. She was named to the CAC first team batting .364, hitting nine doubles, 2 HRs and driving in 27. Hardisty started the season on the right foot for the Sea Gulls when she doubled nome two runs in the seventh inning against St. Joseph's of Maine in SSU's first game of the year. She also went 3-3 with a HR and three RBIs against Christopher Newport on April 15th.

Coach of the Year . Jim Berkman Men's Lacrosse

Coming off a

12-2 season, being knocked out by Gettysburg College in NCAA quarterfinals last year. Berkman turned around and has put together a solid squad that has amassed 14 wins with one loss to the No. 1 team in including back-toback championships in 1994 and 1995. The

Gulls are 6-1 versus ranked opponents this year. SSU placed Head coach Margie Knight seven players on the CAC first team including Player of the Year, Jason Tarnow, and Rookie of the

Senior Third Baseman

Player of the Year - Dave Westervelt.

The four-year starter was the unanimous selection for the Spring Player of the Year award. Westervelt set the single season record for home runs with 13 along with the career record for home runs (25) and RBIs (137). Ever since his second game as a freshman,

Westervelt has played in 144 consecutive games. He was an all-South Region and all-CAC selection.

(Photos were not available for some athletes at press time.)

Attention May Graduates All graduation items must be picked up no later than 12:00 noon on Friday, May 22, 1998.

Remaining items can be picked up Saturday, May 23, 1998

before the Commencement Ceremonu Mon-Thurs 8:30 a.m. 4:00 p.m. in the Flanders Room of the Civic Center.

1998 NCAA Division III Men's Lacrosse Championships

GRADUATION '98
